FILED  
COMMONWEALTH COURT  
OF PENNSYLVANIA  
(PHILA)

**SECOND PETITION FOR APPROVAL OF REPORT AND  
RECOMMENDATION ON UNDISPUTED GUARANTY ASSOCIATION  
CLAIMS THROUGH DECEMBER 31, 2006**

Petitioner, Joel S. Ario, Insurance Commissioner of the Commonwealth of Pennsylvania, in his official capacity as the Statutory Liquidator ("Liquidator") of Reliance Insurance Company ("Reliance or Estate"), in compliance with this Court's Order of September 9, 2002 ("Claims Order") and pursuant to 40 P.S. §221.45, respectfully petitions this Court for an order approving his Second Report and Recommendation on Undisputed Guaranty Association ("GA") Claims ("Report") through December 31, 2006. In support of this Petition, the Liquidator avers the following:

**BACKGROUND**

1. Plaintiff, Insurance Commissioner of the Commonwealth of Pennsylvania, was appointed Liquidator of Reliance pursuant to this Court's Order dated October 3, 2001 ("Liquidation Order") and the Liquidation Order directed the Liquidator to "give notice by

first-class mail to all persons which or who may have claims against Reliance.” See  
Liquidation Order, ¶ 19 and 40 P.S. §221.24.

2. On September 9, 2002, and December 12, 2008, this Court entered its Orders (“Claims Orders”) establishing a comprehensive claims procedure in furtherance of the relevant provisions of the Insurance Department Act of 1921, 40 P.S. §§221.1 – 221.63 (“Act”). The Claims Orders and 40 P.S. §221.45 require that the Liquidator present to the Court a report of claims with his recommendation as to those claims. The December 12, 2008 Order requires the following information to be included in the claims report: “Claimant’s name, address, priority class, allowed amount, and the particulars of the claim, including whether the NOD was issued without Objection or after the settlement of an Objection.”

3. On November 19, 2007, this Court issued its Order regarding the administration of GA claims (“GA Claims Order”) which approved the Liquidator’s Amended Petition to Supplement the Court’s September 9, 2002 Claims Procedures Order to Address the Administration of Guaranty Association Claims. Pursuant to the GA Claims Order, the Liquidator is only required to issue Notices of Determination (“NODs”) for those GA claims which will not be allowed by the Liquidator or which will be contested by the GAs. Undisputed GA claims are to be submitted for approval in accordance with the provisions of the Claims Orders.

### **STATE GUARANTY ASSOCIATIONS**

4. Most states have established GAs to provide a means for the payment of covered claims under certain property and casualty insurance policies, to avoid excessive delay in the payment of such claims and to avoid financial loss to claimants or policyholders as a result of the insolvency of an insurer. See e.g., 40 P.S. §991.1801(1). Although certain

Reliance claims, under accident and health policies, have been paid by GAs who normally handle life, accident and health obligations, this Report includes only claims paid by GAs covering property, casualty and worker compensation claims. The GAs are separate legal entities created by statute in each state that are obligated to pay covered claims of an insolvent insurer in accordance with, and subject to the limitations set forth in, their governing statutes. See e.g., 40 P.S. §991.1803(b). The GAs covered claims are accorded a priority equal to that which the claimant whose claim has been paid would have been entitled to against the assets of the insolvent insurer. See e.g., 40 P.S. §991.1816(c). Consequently, in accordance with the Liquidation Order and 40 P.S. §221.24, all GAs were provided with Proof of Claim (“POC”) forms and instructions.

5. In most liquidation proceedings, including Reliance, due to the on-going nature of the relationship between the Liquidator and the GAs, the GAs file omnibus POCs covering all of their claims. By Order dated December 11, 2003, this Court authorized the GAs to file omnibus POCs in lieu of separate proofs for each claim. All GAs have submitted timely filed omnibus POCs covering all of their claims.

6. As of September 30, 2009, the GAs were administering approximately 9,925 open claim files. From October 3, 2001 through September 30, 2009, the GAs have reported that they have collectively paid a total of approximately \$2.7 billion for loss claims and allocated loss adjustment expenses (“ALAE”). The GAs have reported an additional \$1.2 billion in outstanding reserves for future payments and thus expect to pay out approximately \$3.9 billion in total loss claims and ALAE over the life of the liquidation. As a group, the GAs represent the largest creditor of the Estate.

7. Early in the liquidation process, a dedicated department was established within Reliance to coordinate with the various GAs and their vendors in managing the data reporting process, utilizing a standard interface, and resolving any problems or reporting issues. The automated interface is called UDS, an acronym for Uniform Data Standards. Almost all GAs are now reporting paid and outstanding loss information on a monthly basis, through UDS, which is subsequently processed in the Reliance operating systems to update records and generate the related reinsurance billings. Two small GAs are reporting on a manual basis.

8. Reliance has established procedures for ongoing review and reconciliation of the summary claims information provided by the GAs through UDS. If there is an issue with any claim or amount submitted through UDS, the claim data is not allowed to flow through UDS into the Reliance operating systems until the issue is resolved. As a separate verification procedure, Reliance reviews the amounts paid and detail information for a sampling of individual closed claims to ensure compliance with the requirements and limitations imposed by the Act. This review of selected closed claim files is performed after the GAs have completed handling the claim and the files have been returned to Reliance by the GAs. Additionally, through September 30, 2009, Reliance has conducted 555 on-site reviews of GA open claim files, primarily for reinsurance reporting purposes.

#### **DEDUCTIBLE REIMBURSEMENTS**

9. Reliance issued many policies, primarily worker compensation policies, which included deductible provisions or deductible endorsements (“deductible agreements”). Generally, these deductible agreements required the insureds to pay some agreed portion of each claim and the insured was required to provide collateral for this liability. The insureds would enter into the deductible agreements in exchange for a reduced premium.

10. Prior to liquidation and pursuant to certain of the deductible agreements, Reliance paid all claims and subsequently billed and collected the deductible portion of the claims from its insureds. After liquidation, Reliance continued billing its insureds with deductible agreements for their portion of claims paid by Reliance prior to liquidation and paid by GAs after liquidation.

11. The provisions of 40 P.S. §221.23a, adopted in 2004 by the Pennsylvania legislature, conferred the benefit of the deductible agreements solely on the GAs and any recovery of deductible amounts related to claims paid by GAs must be paid, in full, to the GAs. On a gross basis, over \$102 million of deductible collections have been distributed to the GAs through September 30, 2009. Any deductible recoveries paid to the GAs are credited against the UDS paid amount for that particular claim so that GAs are not reimbursed twice for the same claim.

**SECOND REPORT AND RECOMMENDATIONS ON  
UNDISPUTED GA CLAIMS THROUGH DECEMBER 31, 2006**

12. The Second Report, attached as Exhibit A, lists claims included in GA claim files which were returned to the Liquidator through December 31, 2006. The Second Report includes payments made by the GAs on the listed claims through July 31, 2009. Any payment activity on the listed claims after July 31, 2009 will be included on future reports if the payment amounts are undisputed. Further, as the Liquidator continues his periodic review of GA claim files, as described above, there may be adjustments to the payment activity for each listed claim; and those adjustments, if undisputed, will be included in future reports.

13. The Second Report includes the name and address of each GA, as well as the following columns of information: GA Claim Number, Line of Business, Policy Aggregate<sup>1</sup>, Priority Class, UDS Gross Paid Amount (the total amount paid by the GA on each claim), Deductible Reimbursement Amount (any deductible recovery credited to the GA, as explained above) and the Net Allowed Amount (the total paid amount minus any deductible reimbursement). All of the claims submitted in Exhibit A are priority class (b) claims under 40 P.S. §221.44.

14. The GA claims included in this Second Report are undisputed and therefore, pursuant to the GA Claims Order, NODs were not issued regarding these claims. Because NODs were not issued and the claims are undisputed, no objections have been filed regarding these claims and the Second Report does not include a column indicating “whether the NOD was issued without Objection or after the settlement of an Objection” as set forth in the December 12, 2008 Order.

15. This Second Report includes five GAs who were not included in the Report filed on August 13, 2009 and approved by this Court on September 23, 2009, as well as additional claims from GAs who were included in the previous Report. The claims are grouped by individual GA and a total is provided in the Second Report for each individual GA at the end of their listed claims. Attached as Exhibit B is a summary list of the individual totals for each GA.

16. The Liquidator is in contact with each of the GAs in order to address any unresolved issues related to the review of their UDS submissions and/or closed claims as

---

<sup>1</sup> Certain claims listed on Exhibit A are claims under policies subject to a policy aggregate limit. These claims are subject to 40 P.S. §221.40(d) which requires that if “...the aggregate allowed amount of the claims to which the same limit of liability in the policy is applicable exceeds that limit, then each claim as allowed shall be reduced a proportionate amount so that the total equals the policy limit.”

described above. A few GAs are still not included in this Second Report primarily because of unresolved issues which generally relate to their overall UDS submissions, but the Liquidator expects to include the other GAs as the outstanding issues are resolved. Also, there are still a few closed claim files which were returned to Reliance prior to December 31, 2006, which are not included in this Second Report due to outstanding issues. The Liquidator is in contact with the affected GAs in order to resolve the issues and expects to include these claims in future reports, if undisputed.

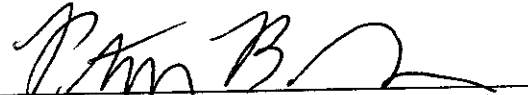

17. The Liquidator believes that the Priority Class and the Net Allowed Amount determined for the claims listed in the Second Report, Exhibit A, are appropriate, fair, equitable and consistent with the relevant provisions of the Act and this Court's Orders. The Liquidator further believes that the approval of the claims listed on Exhibit A is in the best interests of the Reliance Estate, its policyholders, claimants and other creditors.

18. Pursuant to 40 P.S. §221.45(b) and relevant provisions of the Claims Orders and the GA Claims Order, the Liquidator respectfully requests that this Court approve and allow the Priority Class and the Net Allowed Amount for the claims listed on Exhibit A. In accordance with the Claims Orders, any distribution to the GAs based on the undisputed claims listed on Exhibit A will be made at the time and in the manner recommended by the Liquidator and approved by this Court.

WHEREFORE, the Liquidator respectfully requests that this Court grant his Petition, approve and allow both the Priority Class and the Net Allowed Amount of the claims listed on Exhibit A, and enter an Order in the form attached hereto.

Respectfully submitted:
