v.

RELIANCE INSURANCE COMPANY,

Defendant.

DOCKET NO. 269 MD 2001

**PETITION FOR APPROVAL OF REPORT AND RECOMMENDATIONS
ON RESOLVED CLAIMS AS OF DECEMBER 31, 2010**

Petitioner, Michael F. Consedine, Insurance Commissioner of the Commonwealth of Pennsylvania, in his official capacity as the Statutory Liquidator ("Liquidator") of Reliance Insurance Company ("Reliance"), in compliance with this Court's Order of September 9, 2002 ("2002 Claims Order") and December 12, 2008 ("2008 Claims Order" and collectively "Claims Orders") and pursuant to 40 P.S. §221.45, respectfully petitions this Court for an order approving his Report and Recommendations on Resolved Claims as of December 31, 2010 ("Report"). In support of the Petition, the Liquidator avers the following:

BACKGROUND

1. Plaintiff, Insurance Commissioner of the Commonwealth of Pennsylvania, was appointed Liquidator of Reliance pursuant to this Court's Order dated October 3, 2001 ("Liquidation Order").

2. The Liquidation Order directed the Liquidator to “give notice by first-class mail to all persons which or who may have claims against Reliance.” See Liquidation Order, ¶ 19. By the end of the first quarter of 2002, the Liquidator provided Proof of Claim (“POC”) forms and instructions to policyholders and creditors of Reliance as identified by the books and records of Reliance. Additionally, since the first quarter of 2002, the POC forms and instructions have been available on the Reliance Documents website at www.reliancedocuments.com.

3. This Court entered a Claims Order in September of 2002 establishing a comprehensive claims procedure to implement the relevant provisions of the Insurance Department Act of 1921, 40 P.S. §§221.1 – 221.63 (“Act”). Certain aspects of the 2002 Claims Order, including the reporting format, were revised in the 2008 Claims Order. The 2008 Claims Order requires that the Liquidator present to the Court a report of the Liquidator’s recommendation with respect to each Notice of Determination (“NOD”) issued during the relevant period. The Report shall include the following: “Claimant’s name, address, priority class, allowed amount, and the particulars of the claim, including whether the NOD was issued without Objection or after the settlement of an Objection.”

4. When resolved claims are approved by the Court, the 2008 Claims Order provides that “[u]pon approval of the Liquidator’s recommendations in the Claims Report, the Claimant becomes eligible to receive a pro rata distribution of assets from the Reliance Estate in the event that a distribution is made to Claimant’s class of creditors.”

STATUS OF PROOFS OF CLAIM

5. The deadline for filing Proofs of Claim was December 31, 2003. As of December 31, 2010, Reliance had received a total of 160,073 POCs. Of these 160,073 POCs,

11,303 were received after the claim filing deadline. Notwithstanding the claim filing deadline, Reliance continues to receive new POCs. Information regarding claims, in addition to that provided below, can be found in the quarterly status reports filed with this Court by the Liquidator and available at www.reliancedocuments.com.

6. As of December 31, 2010, Reliance has issued NODs for 154,068 of the 160,073 POCs (approximately 96%) for a total allowed amount of \$893,940,397. This Court has approved 151,411 of those NODs for a total allowed amount of \$825,947,725. Exhibit A breaks down this information by priority class.

7. Exhibit B indicates the status of all 160,073 POCs received as of December 31, 2010. Of the 6,005 POCs for which NODs have not been issued, 1,628 relate to claims currently being handled by the GAs and 1,564 of these POCs are either contingent or a POC where the claimant has notified Reliance that there may be a claim in the future, but has not yet identified any particular claim. Approximately 2,641 of the 6,005 POCs are in various stages of review and evaluation and the remaining 172 POCs are ready to evaluate and NODs will be issued within 180 days.

STATUS OF OBJECTIONS

8. The Liquidator has received a total of 1,329 objections to the 154,068 NODs issued, an objection rate of less than 1%. Large groups of these objections relate to several claimants with similar types of claims and thus are resolved collectively through the dispute resolution process.

9. Of the 1,329 objections received as of December 31, 2010, 1,006 have been resolved. Of the 251 unresolved objections, 72 were assigned to referees and 179 had not yet been assigned to referees as of December 31, 2010. Exhibit C indicates the status of all

objections received through December 31, 2010 and Exhibit D breaks down this information by priority class and also includes the Allowed Amounts for objections in each priority class.

**REPORT AND RECOMMENDATIONS ON
RESOLVED CLAIMS AS OF DECEMBER 31, 2010**

10. The Liquidator's Report and Recommendations on Resolved Claims as of December 31, 2010 ("Report") is attached as Exhibit E. The claims are sorted alphabetically, within each class, by the Claimant's name. The amount claimed by the Claimant, *inter alia*, is included in the Report.¹ NODs that are issued as to classification only will have N/A in the Allowed Amount column of the Report.² If the NOD was issued after the settlement of an objection, a "Y" is indicated in the Resolved Objection column of the Report. If nothing is entered in that column, then the NOD was undisputed.

11. A small number of the undisputed NODs listed in Exhibit E may actually be amended NODs which were issued to correct the class or allowed amount of a claim previously recommended by the Liquidator and approved by this Court. For example, if new information later comes to the attention of the claims evaluator which would alter the allowed amount or priority, an amended NOD is issued. The claimant then has an opportunity to object to the amended NOD. 40 P.S. §221.45(b) of the Act specifically authorizes the Liquidator to recommend and this Court to consider modifications of and to claims previously approved by the Court.

¹ If the claimant did not indicate a specific claim amount on the Proof of Claim, the claimed amount is noted as \$0.

² The majority of claimants with undisputed claims below Class B were issued NODs as to their class status only. These claimants were advised that the Liquidator would evaluate the allowed amount of the claims if and when it appeared that there would be assets sufficient to distribute to the relevant class. However, if a claim was covered by reinsurance the allowed amount was determined to facilitate prompt reinsurance billings.

12. In evaluating the undisputed claims and resolving the disputed claims, the Liquidator carefully reviewed all documentation submitted by the claimants in support of the claims and independently determined the merit, classification and value of each claim, as required by the Act. See 40 P.S. §§221.37, 221.38, 221.44, 221.45.

13. For certain undisputed and resolved NODs, the NOD states that the allowed amount of the claim is subject to 40 P.S. §221.40(d) which requires that if "...the aggregate allowed amount of the claims to which the same limit of liability in the policy is applicable exceeds that limit, then each claim as allowed shall be reduced a proportionate amount so that the total equals the policy limit." The NODs recommended in this report are submitted subject to 40 P.S. §221.40(d).

14. Exhibit F is a summary sheet indicating, for each priority class, the total number of NODs and the total amount allowed by the Liquidator³. A grand total is also shown for the combined report categories. In total, the Liquidator is recommending an allowed amount of \$20,759,656.24 for 866 NODs issued during the six month period from 7-1-10 through 12-31-10.

15. Given the discretion afforded the Liquidator to "comport, compromise, or in any other manner negotiate" claims against the liquidated estate, 40 P.S. §221.45(a), the Liquidator believes that the classification and amounts he has determined for the reported claims are appropriate, fair and equitable and consistent with the relevant provisions of the Act and this Court's Order. The Liquidator further believes that the approval of the claims listed in the attached Report is in the best interests of the Reliance estate, its policyholders, claimants and other creditors.

³ For purposes of this Report, the Class A claims are expenses incurred during the period of rehabilitation and paid as administrative costs, therefore the NOD reflects a value of \$0.

16. Pursuant to 40 P.S. §221.45(b) and relevant provisions of the Claims Orders, the Liquidator respectfully requests that this Court approve and allow the classification and/or amount (as applicable) of the claims listed in the Report. In accordance with ¶26 of the 2008 Claims Order, any distribution to the Claimants or their lawful assignees “shall be paid pro rata in accordance with each class of claims as set forth in 40 P.S. §221.44, at a time and manner approved by the Court.”

WHEREFORE, the Liquidator respectfully request that this Court grant his Petition; approve and allow the claims as listed in the Report attached as Exhibit E; and enter an Order in the form attached hereto.

Respectfully submitted:
